

ICCI*CC 2019 Conference FIRST CALL FOR PAPERS

Dear Colleague,

WELCOME

to the [18th International Conference on COGNITIVE INFORMATICS & COGNITIVE COMPUTING](#), July 23-25, 2019, at the Politecnico di Milano University, Italy.

Following the past 17 successful conferences on Cognitive Informatics and Cognitive Computing (ICCI'02 through ICCI*CC'18), the 18th International Conference on Cognitive Informatics and Cognitive Computing ([ICCI*CC 2019](#)) at Politecnico di Milano, Milano, Italy, July 23-25, 2019, focuses on the theme of **Symbiotic System Science (SSS)**, and is composed of **two Main Tracks**.

The **first Track** called [CPT \(Cyber-Physical-Technical\)](#) is organized under the supervision of the [Institute of Electrical and Electronics Engineers \(IEEE\)](#), while the **second Track** called [CSW \(Cognition-Society-WellBeing\)](#) is organized under the supervision of the [World Academy of Art & Science \(WAAS\)](#). For more information please refer to Eventi del Politecnico di Milano Website (<https://www.eventi.polimi.it/events/18th-ieee-waas-international-conference-on-cognitive-informatics-cognitive-computing/?lang=en>) or the 18th International Conference on Cognitive Informatics and Cognitive Computing Website ([ICCI*CC 2019](#)), <http://www.iccicc19.polimi.it/>.

Deeper reality understandings, new effective multidisciplinary, interdisciplinary and transdisciplinary competences are already strongly required, **in the technical, business, management and social communities especially, at all levels and scales**.

Submission of original, contributing paper is **strongly welcome** at this stage. A NON-limiting lists of topics are suggested at the Conference Website ([ICCI*CC 2019](#)).

[ICCI*CC 2019 Conference](#) offers the unique opportunity to immediately update your current, experiential knowledge-base **at the edge of cognitive technology** and to **deep learn vital ideas and concepts** from highly talented, technical oriented and social oriented professionals and academicians **for the better, mutual understanding of current, significant transformative changes** that will impact society worldwide in the near future.

Welcome to the [18th International Conference on COGNITIVE INFORMATICS & COGNITIVE COMPUTING](#) at the Politecnico di Milano University, Italy, where Art and Science symbiotically create our bright future.

We look forward to seeing you in Milano in July 2019 for this outstanding event!

Best regards,

[ICCI*CC 2019 Conference General Co-Chairs](#)

Rodolfo A. Fiorini (Politecnico di Milano University, Italy)

Yingxu Wang (University of Calgary, Canada)

Newton Howard (Oxford University, UK)
